

HEAD START offers free* comprehensive services to children birth to age 5 and their families.

If your family doesn't have a stable nighttime residence, YOU ARE ELIGIBLE!

We support math, literacy and science learning through play, creative expression and guided activities.

We promote healthy development and provide medical, dental, hearing, vision and behavioral screening.

We help families identify and reach goals around employment, education and parenting.

We provide services for children with disabilities and mental wellness support for children and families.
